Dear John

Thank you very much for the 'extra mile' you went in fitting a new boiler in our offices.

As you know, we are in the process of refurbishing the offices and at short notice required a new boiler. You provided a very competitive quotation and having been successful fitted the work in on a Saturday so as to cause no disruption to the office. We came in on Monday morning to a clean kitchen and fully functioning boiler.

We would be very happy to recommend you to clients.

Kind regards

Yours sincerely
